(2011-12-19 17:12) vj: so vendors that mention a buyers handle to bitch about fucking feedback should be fed to the sharks

(2011-12-19 17:13) vj: ones that do that AND keep records of the addresse should be fed to ants, and then to sharks

(2011-12-19 17:13) vj: lttm keeps addressess

(2011-12-19 17:13) vj: Paperchasing keeps addressses and threatens to spread names of anyone who dares give him a 4/5

(2011-12-19 17:13) myself: how do you know all of this?

(2011-12-19 17:14) vj: I read the forums

(2011-12-19 17:14) myself: I should probably do that ;)

(2011-12-19 17:14) vj: your aware of the Gummy stars fiasco?

(2011-12-19 17:14) myself: yes

(2011-12-19 17:14) vj: search under lttms name for 'address'

(2011-12-19 17:15) vj: for that I'd lifetime ban the bitch and take her funds and split them 'tween gummy's victims, and make it known that she got off easy.

(2011-12-19 17:16) vj: a vendor keeping addresses is gonna be doing that to save a little negotiating material in case they get busted, otherwise its pretty dangerous to have around.

(2011-12-19 17:18) vj: Paperchasing is not only blackmailing folks into 5/5's or face his wrath, he's also keeping addresses - or as he says, he has a 'good memory' for them, so in spite of his 1000+ orders if someone who's crossed his little feedback fetish tries to order under another name, he can 'remember' their addy from before.

(2011-12-19 17:19) vj: For that, I'm gonna give him a bit of a bollocking on the forums, probably leave a few bruises on him for

the effort. But next week, I've too much to do this week, and when it starts it's gonna go on for a day or 4

(2011-12-19 17:19) vj:

Just giving you a heads up, is all. Not asking permission. Not asking you to get involved.

(2011-12-19 17:20) vj:

just when it blows, I thought you should know why

(2011-12-19 17:20) myself:

thanks for the heads up. I'll definitely be keeping a closer eye on things. Up to this point, I have been relying on buyers to come to me with complaints and there haven't been many.

(2011-12-19 17:21) myself:

looks like I need to be more proactive
